About the North Texas Food Bank:

The North Texas Food Bank (NTFB) is a top-ranked nonprofit hunger-relief organization with its primary distribution center in Southwest Dallas, and administrative headquarters located in the Dallas Farmers Market. Each day, NTFB provides access to more than 190,000 meals for hungry children, seniors, and families through a network of more than 1,000 programs and more than 200 Partner Agencies. In fiscal year 2016, NTFB provided access to some 70 million nutritious meals. While the NTFB is making steady progress toward closing the hunger gap, much work remains to be done to reach the organization's 10-year goal of providing 92 million nutritious meals annually by 2025.

NTFB is a member of Feeding America, a national hunger relief organization.
