Thanks for sticking it to hunger.
Dear North Texas Food Bank Friends and Supporters,

It’s hard to summarize the second year of the North Texas Food Bank’s Close the Gap campaign. With the shifting economic climate, changing unemployment rate and ever-growing number of North Texans at risk of going hungry, it’s easy to simply focus on the overwhelming need.

Indeed, the need is great. The unemployment rate in Texas jumped to the highest it’s ever been – 8.6 percent – in January. Thousands of hard-working North Texans have been forced out of jobs they’ve had for years and are now unable to provide for their families. Seniors citizens who have worked hard their whole lives now have only a meager Social Security check on which to live. Children, through no fault of their own, are going to bed hungry because their parents can’t afford to buy groceries.

So many of our neighbors are struggling – but the North Texas Food Bank is doing everything in its power to provide food to those who need it most. Thanks to the generous support of corporations, foundations, faith groups and friends like you, we distributed an incredible 43.7 million meals to hungry people during the second year of our Close the Gap campaign. We also acquired more than 13,400 new donors during the holiday season, and a remarkably dedicated 22,000 volunteers served 63,000 hours in our warehouse to help feed those in need.

This community-wide effort – this incredible success story – is what I’ll remember when I reflect on this year.

As we look ahead to the third and final year of our Close the Gap campaign, I’m more encouraged than ever by the support of our generous community. I know we can achieve the goals we’ve set before us – to provide our hungry neighbors with increased access to the food they need – and I’m grateful that you’ve joined us in this effort.

Thank you, on behalf of all those we serve, for your partnership.

Sincerely,

Charlie Morrison
Chairman of the Board
“Every day, whether or not we think anyone is paying attention, our actions, our decisions, our choice to stand up and lead or blindly follow does change lives.”

- Jan Pruitt, North Texas Food Bank President & CEO

It’s truly overwhelming to consider how many lives have been changed here in North Texas because of our community’s willingness to stand up and be leaders in the fight against hunger. The support and leadership of this community enabled the North Texas Food Bank to distribute an incredible 43.7 million meals to those in need during the second year of our campaign to Close the Gap on hunger.

The word “gap” is defined as a break; an interruption in continuity; a wide divergence or difference, perceived as creating a problem. This definition couldn’t be more appropriate to describe the gap we’re working to close through this unique three-year initiative.

There is a gap between the number of hungry people in North Texas and the food they so desperately need. We don’t want to simply narrow this gap – we want to close it completely. The recession continues to affect North Texans everywhere, bringing new faces of hunger to our Member Agencies for help with food every day. With the goal of distributing 50 million meals annually by 2011, the Food Bank is doing everything in its power to ensure that those in need have increased access to nutritious food and that no food goes to waste.

Rebecca and her husband, Juan, never thought they’d need help to feed their son. But a year ago, Rebecca suffered a fall at work, leaving her permanently disabled and unable to return to her job. Shortly after her accident, Juan became very ill and had to take significant time off work without pay. Between this loss of income and mounting medical bills, the couple just hasn’t been able to afford rent, utility bills and food.

Fortunately, Rebecca has found the help she needs at Baptist Benevolent Irving, a Member Agency of the North Texas Food Bank.

“I’m very appreciative,” says Rebecca. “You have helped us.”
For Barbara, the unrelenting pangs of hunger aren’t anything new. Though she spent her entire adult life working tirelessly to provide for her son as a single mom – sometimes even working two jobs to make ends meet – she just doesn’t always get enough to eat. With several chronic health conditions, most of her small fixed income goes toward prescriptions and doctor’s bills rather than food.

“I know what it’s like to go without food,” she says.

Thanks to the generosity of this community, Barbara doesn’t have to choose between buying medicine or food anymore. She can come to the White Rock Center of Hope, a North Texas Food Bank Member Agency, for nutritious groceries when she really needs them.

“This food makes the difference between giving up and going on,” she says.

Senior citizens like Mavis are also struggling to make ends meet. For most of her life, she lived comfortably as a middle school math teacher in Bombay, India with her husband and four children. But years later when she moved to Dallas, she found she didn’t have the credentials she needed to teach in the United States. Re-certification was expensive, and she didn’t have the money. She was forced to work odd jobs which paid very little and were hard on her aging body. Now at age 70, her only income is in the form of Social Security and food stamps – and with rent, utility bills and medications, she rarely has enough money left over to buy food.

That’s why Mavis is so glad she can take home groceries from the food pantry at Lake Cities United Methodist Church, a Food Bank Member Agency.

“Thank you very much!” says Mavis. “I appreciate what you’re doing. You are a blessing and a help to me.”

North Texans in need like Rebecca and Juan, Barbara and Mavis no longer have to live with the pain of hunger. Full stomachs are a reality for them, thanks to the generous donations of foundations, corporations, faith groups and individuals in our community like you.

Thank you for helping to Close the Gap on hunger in North Texas.
Dear Friends,

Over the last two years, you’ve likely become familiar with the North Texas Food Bank’s Close the Gap campaign, a three-year initiative to feed all of our hungry neighbors by increasing our food distribution to 50 million meals annually by 2011.

When the campaign first launched in 2008, the year 2011 seemed so far away. It’s hard to believe that it’s now just around the corner. And thanks to the support of friends in the community like you, we’re closer than ever to achieving our goals.

It’s true that the second year of our Close the Gap campaign has not been without its challenges. Tough economic conditions have affected us all. With high unemployment and “new faces” of hunger emerging every day, we’ve seen an unprecedented need. I’ll never forget the story of a man who was laid off from his six-figure job as an engineer this past year. He lost his home, his savings – everything. I’m sure he never in his wildest dreams imagined he’d have to apply for food stamp assistance just to get by.

This has been a difficult season, but we’ve come out of it even stronger than when we started – and that’s only because of our supporters. Thanks to friends in the community like you, we were able to surpass our distribution goals by an incredible 1.1 million meals! When I think about the thousands of families and individuals who had food on the table because of those meals, I am truly overwhelmed.

Now, as we look ahead to the final year of our Close the Gap campaign, our goals are even bigger and we need your help even more. We’re counting on the support of this community to help us build the solution to our North Texas neighborhood’s chronic problem of hunger. It is my continued hope that our united force against hunger resounds clearly and effectively across America to inspire everyone to reach out a hand for our hungry neighbors.

We simply couldn’t feed those in need without the generosity of foundations, corporations, faith groups and individuals like you.

Thank you for your partnership!

With gratitude,

Jan Pruitt
President & CEO
Road Map to Close the Gap: Millions of Meals Provided

The North Texas Food Bank relieves hunger in two ways:

1. **Food Distribution** - We supply donated, purchased and prepared foods to 1,184 community-based programs, including food pantries, shelters, and soup kitchens. We also operate direct feeding services for seniors and children, including our PAN program, Food 4 Kids “Back Pack Program” and Kids Cafe after school meal program.

2. **SNAP Services** - Our Social Services Assistance team works closely with Member Agencies to help families and individuals apply for Supplemental Nutrition Assistance Program (SNAP) benefits*. Outreach workers make the application process clearer and more accessible to families in need and are able to conduct complete interviews in the field and submit applications directly. With the support of the Texas Health and Human Services Commission, our SNAP outreach team more than doubled in size (to 15 positions) this year. We estimate the impact of our SNAP services using data on applications submitted, application success rates, average benefits per recipient and estimated costs per meal.

*The Food Stamp Program was renamed the Supplemental Nutrition Assistance Program, or SNAP, in 2008.
Feeding Families

Elizabeth is raising her three young sons ages 5, 2 and 5 months on her own. Although she works as a bookkeeper at a local retail store, her hours have been cut dramatically over the past year due to the economy, and she isn’t earning nearly enough to make ends meet. Her real passion is education, so she’s taking classes to become a high school teacher.

But between work, school and taking care of her young family, Elizabeth finds herself constantly stretched thin. She really struggles to pay for things like utility bills, childcare and food for three growing boys.

Fortunately, food is one thing Elizabeth doesn’t have to worry about. Thanks to the gifts of friends in our community, she can “shop” for free, nutritious groceries at Christian Community Action in Lewisville, a North Texas Food Bank Member Agency. Elizabeth is so grateful for the food she receives.

“Thank you!” she says with tears of gratitude. “I never expected to find myself in this situation. It makes a tremendous difference knowing I can feed my kids nutritious food.”
HOLIDAY AWARENESS CAMPAIGN

In November and December of 2009, the North Texas Food Bank launched its Holiday Awareness Campaign in order to increase awareness because of the economic downfall. The Food Bank was overwhelmed with the response from the community and generated a 22% increase in donations over the previous year (November 1 through December 31, see chart below).

KRLD Restaurant Week presented by Central Market was bigger and better than ever in its 12th year. Running August 17 – 23, with some restaurants extending the event an extra week or even two weeks, KRLD Restaurant Week proved yet again to be a great way to raise awareness about the issue of hunger in North Texas. More than 100 participating restaurants generously donated $7 from each $35 fixed-price meal to the Food Bank. This year’s event raised $426,214, which provided more than 1,704,856 meals for those in need.
canstruction was a feast for the eyes in its 14th year. Eighteen design and architecture firms constructed larger-than-life creations from nonperishable food items, which were on display at Galleria Dallas from October 3 - 18. All food items were donated to the Food Bank at the event’s conclusion. This year’s canstruction brought in 63,549 pounds of food and more than $11,392, translating into nearly 95,218 meals! We deeply appreciate the support from this year’s sponsors, including: CitySprint, Dallas Stars, Thomas Reprographics, BRW Architects, Inc., Corner Bakery, Blue Mesa, Carter Rose Photography, F11 Media, GSR Andrade, BKCo, Westin Galleria, and Galleria Dallas.

It’s a Fair Deal at the State Fair of Texas, sponsored by Kroger, proved to be more than just a fair deal for North Texans – it was a hunger relief effort and a great volunteer opportunity. From September 30 to October 14, fairgoers received discounted admission prices for bringing three canned food items for the Food Bank on Wednesdays through Kroger’s It’s a Fair Deal Wednesdays. Fairgoers also received discounted admission prices on opening day for bringing a 20-ounce Coca-Cola product to donate to the Food Bank. The Food Bank collected 144,824 pounds of nonperishable food and Coca-Cola products, which provided more than 113,144 meals for those in need.

Greater Dallas/Fort Worth Souper Bowl of Caring was an enormous success in its second year. From January 15 through February 7, 2010, nonperishable foods and cash donations were collected at participating Albertsons, Central Market, Kroger and Tom Thumb grocery stores. Many local schools, faith-based organizations and youth groups collected food and funds, as well. More than 180,190 pounds of nonperishable food and $76,393.90 were collected to benefit the North Texas Food Bank. Thank you to our grocery and media partners and all who participated to help make this food drive a success!

Whole Foods Giving Tree, presented by Whole Foods Market, encouraged customers to buy a paper ornament to decorate the store’s Giving Tree throughout the month of December. Customers had the opportunity to donate in any dollar amount and all proceeds went to the Food Bank. since the close of 2009 brought increased economic uncertainty, Whole Foods team members shared the story of hunger with their customers to inspire giving. They saw donations increase by 108 percent over last year, bringing the total to $66,656.87. This translates into 266,627 meals for hungry North Texans!
Empty Bowls, presented by Tom Thumb celebrated its most successful year to date on February 19, 2010. More than 1,900 guests gathered at the Meyerson Symphony Center to enjoy the savory soups, breads and desserts provided by area restaurants. Local artists donated beautiful handcrafted bowls for the occasion. The event brought in $164,652, translating into an incredible 658,608 meals for hungry North Texans! We would like to extend a special thank you to our sponsors: Presenting Sponsor Tom Thumb, Official Go Green Sponsor VHA, Benefactors Alliance Data, BBVA Compass, Andrews Kurth, LLP, Dave & Buster’s, Grant Thornton, and Supporters Post Properties, Urology Associates of North Texas, Comerica Bank, and Lockheed Martin. We’d also like to thank our donors, WFAA, WBAP, City Color, Dr. Pepper Snapple Group, Urban Floral Design Studio, Fun Factory Events, and John and Darlene Williams and all of the artisans who donated handmade bowls.

Dash Down Greenville, presented by Run On! is a great way for North Texans to run for a reason. On March 13, 2010, more than 5,200 runners gathered on Greenville Avenue for this annual St. Patrick’s Day 5K run and walk, presented by Run On! and hosted by Central Market. The event raised $55,952 for the Food Bank, translating into more than 233,800 meals for those in need!

Taste of the NFL – The Ultimate Dallas Cowboys Tailgate Party, presented by Lockheed Martin, saw record numbers in its fifth year! Hosted by Dallas Cowboys defensive end Marcus Spears and linebacker DeMarcus Ware, five-time Super Bowl player Preston Pearson and celebrity chef Kent Rathbun, the event raised $185,127 for North Texas children on April 25 – that’s 740,508 meals for those in need! In addition to our hosts, auction committee, host committee chaired by Preston Pearson and Janie Tilford, guests and participating chefs, we have many generous sponsors to thank, including: Presenting Sponsor Lockheed Martin; Go Green Sponsor VHA; Touchdown Sponsors US Foodservice and Lockton; Field Goal Sponsors Mike & Danya Anderson and Albertsons; and Ultimate Fan Sponsors Charlie Morrison, Lovell PR, Northrop Grumman, Orix, North Texas Super Bowl XLV Committee, Mosaic, and Black, Mann, & Graham, LLP Thanks also to our donors: Dallas Cowboys, CBS 11/TXA 21, Balloons to You, Doc Strange Photography, Tiffany & Co., Andrews Distributing Company, The Fan, Cabot Cheese, Creative Ice, Dr. Pepper Snapple Group, E&J Gallo, FIJI, The Glass Cactus at the Gaylord Texan Resort, The IRIS Company, KRLD, Leonard Sloan & Associates, MillerCoors, Robbins Brothers, SKYY Vodka, Technology Media Group, and VIP Photo Booths.
National Association of Letter Carriers Annual Food Drive, sponsored locally by Kroger, was a great success in 2010. City of Dallas residents were encouraged to place nonperishable food items by their mailboxes on May 8, which were then picked up by their mail carriers and delivered to the Food Bank. More than 276,736 pounds of food and $535.91 were collected to help feed the hungry. This generosity provided more than 218,424 meals for North Texans in need.

Russ Noland Memorial Golf Tournament hosted by Sachse First United Methodist Church was a huge success in its fifth year. This annual golf tournament raised $15,000 for the North Texas Food Bank’s Food 4 Kids backpack program on April 24, 2010. Over the past five years, the tournament has raised more than $74,700 for Food 4 Kids – enough to provide more than 14,940 backpacks for hungry children in North Texas. Thank you to all who helped make this annual event a success, and special thanks to Lisa Morgan, Victoria Shaw, and Stephanie Noland for their leadership and passion.

Hunger Action Day presented by Kroger is a service day that provides our corporate partners with an exciting teambuilding opportunity within the context of the Food Bank’s food distribution operations as the culmination of Hunger Action Month. Thank you to our corporate sponsors: Presenting Sponsor Kroger, as well as our other corporate partners EnCanna Oil & Gas, KPMG, Credit Suisse, Wells Fargo and Valassis. Their efforts boxed 50,283 pounds of food. With Kroger’s gift of $50,000 for the Food 4 Kids backpack program and our other corporate partners’ combined gifts of $19,000, we were able to provide 276,000 meals for those in need!

Resounding Harmony was music to everyone’s ears in November. The Resounding Harmony Community Chorus’s 2nd annual concert to benefit the North Texas Food Bank raised $27,249 and 2,826 pounds of food through ticket sales, virtual food drives, collections, raffles, and canned food drives. This provided more than 111,300 meals for those in need. Thank you to Dr. Tim Seelig and the entire Resounding Harmony Chorus.
Imagine... A World Without Hunger.

Feeding Seniors
Catherine & Harold McIntosh
New Hope Compassion

Harold and Catherine have been caring for family their entire adult lives. They worked hard to raise their three children, and now they’re taking care of their two young grandchildren. But lately it’s been hard to make ends meet.

Catherine is struggling – for the second time – with breast cancer. She receives disability assistance, but she says this isn’t nearly enough to pay for her medical expenses. Harold retired a few years ago and receives a Social Security check each month. But with utility bills and other expenses, they rarely have enough left over to buy food.

Fortunately, Harold and Catherine have found hope and help at New Hope Compassion Outreach in Cedar Hill, a Food Bank Member Agency. This food pantry provides important staples like milk, eggs, potatoes and vegetables to about 60 families each month. Harold and Catherine are so grateful for the food they receive - and for those who help provide it.

“Thank you for helping us!” says Catherine. “We appreciate what you’re doing.”

Feeding Kids

As the program director of St. Anthony Community Center’s after-school and summer programs for kids, Melanie Carter can personally attest to the importance of nutrition in a child’s development. This Food Bank Member Agency in Dallas serves a healthy after-school meal to 80 students during the school year and a filling breakfast and lunch to between 100 and 125 children each weekday during the summer.

Melanie says about 80 percent of the children she serves participate in their schools’ free meal program and almost all come from single-parent families. During the summer when they don’t have access to school meals, the food they receive at St. Anthony’s is truly a lifeline.

“The kids really rely on this food,” she says. “Thank you – a huge thanks! This food is giving them the nutrition they need.”
Food Sourcing

We sourced 47.8 million pounds of food this year. Where does it come from?

- **Local Donations** – Community members and local organizations, faith groups and businesses contributed 13.5 million pounds. Thank you!

- **Feeding America** – We secured 12 million pounds through our partnership with Feeding America, a nonprofit organization that solicits donated food and grocery products from national suppliers for distribution through over 200 certified food banks nationally.

- **U.S. Department of Agriculture (USDA)** – 14.8 million pounds were provided through The Emergency Food Assistance Program (TEFAP).

- **Purchased Food** – We purchased 7.6 million pounds of staple items to help ensure a reliable supply of nutritious foods to local pantries and meal programs. Our core inventory items include rice and beans, ground meats, pasta, fresh and canned fruits and vegetables, peanut butter, tuna, fresh milk and eggs.
Agency University (AU) is a program that empowers Member Agencies of the NTFB by providing information and knowledge which enhances their food programs and helps them to leverage their resources. Additionally, the skills learned in AU teach our Agencies to increase their capacity so they can help more people in need. In our 2010 fiscal year, Agencies could choose from eight different courses consisting of 24 classes taught by professionals in the fields of health and nutrition, fund development, PR/marketing, grant writing and finance. This year we had 120 participants resulting in more than 1,309 hours of training, which were provided to our Agencies free of charge. Agency participants who decide to complete an entire course of classes also receive continuing education college credits from El Centro Community College.

Charitable Produce Center Founded in 1994 with Louise Gartner’s vision, the Charitable Produce Center was designed to transform the large amount of waste in the fresh produce market into a source of nourishment for hungry North Texans. The Food Bank extended this concept in 1999 with a grant from Kraft Foods, Inc., by developing the Rural Produce Initiative to distribute fresh produce to Member Agencies outside of Dallas County each week. In fiscal year 2010, the program distributed 6,485,301 pounds of produce throughout all 13 counties in the North Texas Food Bank’s service area.

Commodities Supplemental Food Program In 2000, the North Texas Food Bank became the first Commodities Supplemental Food Program (also known locally as People and Nutrition, or PAN) distributor in Texas. The program provides surplus USDA commodities for low income Dallas County residents who meet certain requirements, such as being 60 years old or older, children under six not receiving assistance from WIC (Women, Infants and Children Program) or pregnant, breastfeeding or postpartum women not receiving assistance from WIC. Each month, 8,500 participants receive an estimated 32 pounds of USDA commodities at 98 PAN distribution sites in Dallas County. PAN is a partnership of the U.S. Department of Agriculture, Texas Department of Agriculture, Catholic Charities of Dallas and the North Texas Food Bank.

Community Kitchen The Community Kitchen began as a North Texas Food Bank pilot program in early 2000. The mission of the kitchen is to offer Member Agencies nutritious, fully prepared frozen meals to heat and serve to the hungry while providing culinary job skills training to disadvantaged individuals with an interest in a food service career. Construction of a new 3,000 square foot kitchen at the Food Bank was completed in February 2002. The kitchen provides an average of 8,000 meals weekly in a variety of formats which are then distributed to 39 program sites. Up to 30 students, primarily from the Texas Second Chance Program in partnership with Dawson State Prison, receive food service training each year while helping to prepare meals.

Food For Families Food For Families is a cooperative effort between the North Texas Food Bank and more than 27 Member Agencies. Pre-qualified clients of participating Agencies are issued a voucher for specific food distribution. Clients meet Agency volunteers at a specific parking lot at a pre-determined time. A drive-through line is organized and Agency volunteers give food directly to clients from Food Bank trucks. In fiscal year 2010, more than 839,753 pounds of food were distributed to more than 14,804 families and 59,816 individuals.
Food 4 Kids Elementary school children on the free and reduced-price school meal program often face hunger when these meals are not available on weekends. The Food 4 Kids program helps to solve this problem by providing backpacks full of nonperishable, kid-friendly food for these chronically hungry children to take home on Friday afternoons. The program has grown exponentially from 200 participating elementary schools in 2008 to 323 schools in fiscal year 2010. Approximately 7,500 children in Dallas, Denton, Collin, Rockwall and Fannin counties received a backpack full of food each weekend during the school year.

Food Stamp Outreach (FSO) offers the highest return on investment in terms of access to nutritious food per program dollar spent. It also offers the client access to the food items offered at the local supermarket, as opposed to needing the support of a food pantry. This allows the food pantries to serve more clients that are in need. Another benefit of this program is the introduction of Federal dollars in to the local economy. When a client uses SNAP benefits, they are helping the economy by supporting their local supermarket.

Our FSO staff works closely with Member Agencies to identify, educate and help enroll families and individuals who are eligible for Food Stamp (or SNAP-Supplemental Nutrition Assistance Program) benefits. They also advocate for clients who experience barriers within the system. In some of the areas that we serve, families have been forced to wait several months just to get an appointment to apply for benefits.

This year, our FSO field staff went above and beyond the call of duty. In response to the skyrocketing demand for Food Stamp benefits in our area, they assisted in the completion of 8,112 applications and helped provide access to an estimated 6.5 million meals, more than double their annual goal. The extraordinary productivity of the Food Stamp Outreach program built on our direct food distribution and enabled us to exceed our overall hunger relief goals for FY09.

Kids Cafe The North Texas Food Bank’s Kids Cafe program began in 1998 as a way to provide nutritious after-school meals to children who may not have enough to eat when they go home from school. The Food Bank currently operates 31 Kids Cafe sites with generous funding from several donors, including Capital One. More than 321,445 meals were served last year to children in Dallas, Collin and Grayson counties.

Main Program The Main Program of the North Texas Food Bank gathers donations of both perishable and nonperishable food as well as nonfood items. These items are then distributed to North Texas area food pantries, soup kitchens, homeless shelters and other programs that serve people in need. In fiscal year 2010, the Food Bank’s Main Program distributed enough resources to Member Agency food pantries to serve 653,344 families. Area homeless shelters, day-care centers, soup kitchens and other facilities provided 7,356,019 on-site meals and snacks to the hungry in our community.
Nutrition Education/Operation Frontline In fiscal year 2010, 305 people participated in 20 six-week classes, a 12 percent increase in the number of people served through this series of classes since last year. Furthermore, 15,333 people received nutrition education through nutrition workshops, cooking demonstrations and events in the community targeting low income populations. This was a 27 percent increase in people reached through additional nutrition activities since last year.

Retail Store Donation Program The Retail Store Donation Program is one of our most important growth areas. Products which might otherwise be discarded—such as butcher shop and deli meats—are frozen before their “use-by” dates at more than 115 local grocery stores, picked up on a daily schedule by dedicated North Texas Food Bank vehicles and incorporated into our inventory of frozen foods. These foods are then available to Member Agencies operating community-based food pantries and direct feeding programs. Having expanded from 365,500 pounds of food in 2008 to over 1.5 million pounds in 2009, the program is now providing over 2 million pounds of high-quality perishable foods annually.

Serving U Serving U is a popular one-day teambuilding program hosted in our distribution facility. The program is designed to help key executive and departmental personnel sharpen their communication and teamwork skills while serving a larger purpose. In just one day, corporate teams learn how to work together effectively, set aside differences, plan common goals and build stronger bonds. At the same time, team members are helping to feed thousands of North Texans in need by volunteering together at the Food Bank. In fiscal year 2010, nine companies took part in Serving U, for a total of 700 participants. The following companies are Serving U alumni from the past two years: Aaron’s, ALCOA, Brown-Forman, Capital One, Capital One Auto Financing, Capital One Commercial Banking, Celeneze, Communities Foundation of Texas, Covidien, CVS Caremark, Dallas Convention and Visitors Bureau, Diamond Consultants, EnCana Oil and Gas, Firehouse Agency, Frito-Lay, Johnson Controls, Leadership Texas, One Technologies, PepsiCo, Pizza Inn, Plexet, Powerwave, Republic National Distributing Company, RSW Creative, Sabre Holdings, Southwest Airlines, SRS Real Estate Partners, Travelocity, University Park United Methodist Church and Walmart.

“Serving U was a great exercise. It combined teamwork, fun, and serving our community. Our team prepared 59,040 meals, and we all thought it was a terrific experience. I recommend it to others.”
-Mary Jo Hoch, Capital One Bank

“What a great time the Firehouse gang had participating in the Serving U program. The program could not have been any better suited for what we were trying to accomplish and the tone we were hoping to set for the agency for 2010.”
-Firehouse Agency
“Imagine...A World Without Hunger.

“I’ve done lots of corporate teambuilding events. This was the most meaningful one I’ve ever done – both from the aspect of helping the community and from ... improving our team.”
-University Park United Methodist Church

“This great exercise combined teamwork, fun, caring hearts, and productivity -- elements of Southwest’s culture. Our Team prepared 17,500 meals in one day!”
-Southwest Airlines

Texas Second Chance In 1997 the North Texas Food Bank formed a collaborative partnership with the Texas Department of Criminal Justice. Texas Second Chance allows selected prison confinees to volunteer at the Food Bank up to four days a week. As volunteer laborers, they receive job skills training in warehousing and food service. This training vastly improves participants’ ability to successfully reintegrate into the community. Last year participants in the Texas Second Chance program provided more than 14,334 hours of community service for the Food Bank.

The Volunteer Experience Volunteering at the North Texas Food Bank is truly a unique experience. With a variety of ways to serve – from packing and sorting food to helping with administrative tasks to teambuilding programs like Serving U – our volunteers enjoy a hands-on, engaging and effective community service experience that brings them back again and again. In fiscal year 2010, community volunteers contributed 67,436 hours of service to the North Texas Food Bank through 21,000 volunteer shifts. The Food Bank is grateful for the hard work and dedication of our many volunteers and community leaders who help make our work possible.
The North Texas Food Bank passionately pursues a hunger-free community.
