

## 2021 Harvest Sponsorship Levels

Harvest | September 11, 2021

With great optimism that we will be able to gather in person, the North Texas Food Bank is revising this beloved event so that it is a seated dinner and celebration at the Omni Dallas. Kathryn Hall, one of NTFB's founders, will be chairing Harvest this year along with her husband Craig, and we'll be joined by Claire Babineaux-Fontenot, CEO of Feeding America and one of Time Magazine's most influential people of 2020 as a keynote. The evening will be designed to offer an engaging guest experience while celebrating the rich history and impact of the Food Bank on North Texas. The North Texas Food Bank has proudly been serving our community for 40 years. To commemorate this milestone NTFB will be providing the community with the opportunity to learn about the story of our inception, where we are now, and future plans throughout the year of 2022. We hope that you will join us for Harvest and for additional opportunities throughout the next year to look back on 40 years of service to North Texas.
