

## Harvest Sponsorship Levels

Harvest | February 19, 2022

The North Texas Food Bank is reimagining our beloved event, Harvest, so that it is a seated dinner and celebration at the Omni Dallas. Kathryn Hall, one of NTFB's founders, will be chairing Harvest this year along with her husband Craig, and we'll be joined by Claire Babineaux-Fontenot, CEO of Feeding America and one of Time Magazine's most influential people of 2020 as a keynote. The evening will be designed to offer an engaging guest experience while celebrating the rich history and impact of the Food Bank on North Texas- leading into a year of festivities, Harvest will serve as the kick off of the NTFB's 40<sup>th</sup> anniversary year. To commemorate this milestone NTFB will be providing our guests at this event as well as the community at large, the opportunity to learn about the story of our inception, where we are now, and future plans via a special exhibit which will be debuted at this event. We hope that you will join us for Harvest and for additional opportunities throughout the next year to look back at 40 years of service to North Texas.
