NTFB VOICE Advocacy Update

ADVOCATING FOR A HUNGER-FREE, HEALTHY NORTH TEXAS

Dear Hunger Advocates,

The passage of the Families First Coronavirus Response Act will help a lot of our families, seniors, and children in need during the COVID-19 pandemic. The North Texas Food Bank continues to see an increase in demand and need large-scale support.

As follow-up to the Families First Coronavirus Response Act, we need to ensure increased funding for our nation's federal nutrition programs, that will serve as our nation's first line of defence against hunger.

I ask that you **click the button below** that will help you send a message to your member of Congress and our Senators about how critical this funding is for our community.

I appreciate your time,
Val
