Thank you!

Thank you for participating in the Peanut Butter Drive to help feed hungry North Texans! Through your food drive, you're helping to end hunger right here in our community.

Take a few minutes to look over this handbook. We hope the ideas and tips you find here will help you make your drive a success!

The funds you raise throughout your campaign will soon end up as peanut butter on the table of someone in need. It will provide more than a meal; for that hungry child, senior or family who has wondered where their next meal will come from, it means hope! While coordinating a peanut butter drive can be hard work, we hope this handbook will make it much easier. And remember, the funds you raise directly impact your neighbors in need.

Because of people like you who have committed their time and energy to fight hunger, the North Texas Food Bank (NTFB) is able to provide access to more than 345,000 meals every day to those in need! We could not do this work without dedicated individuals like you!

Thank you again for your commitment! We wish you success and fun in your upcoming peanut butter drive!

Sincerely,

Your food bank family

Peanut Butter Drive History

In conjunction with Hunger Action Month (HAM) held every year during the month of September, the *Plano* Peanut Butter Drive began in 2014 when the mayor at the time, Harry LaRosiliere, became aware that children were going hungry in his community. He immediately connected with the North Texas Food Bank and our partner agencies to find ways to feed these children and their families.

According to Feeding America, 1 in 5 children in NTFB's service area are food insecure. Hunger can be a hidden issue in any community, but especially in affluent areas. The Peanut Butter Drive increases awareness of this serious issue and puts a platform in place for concerned citizens to help with the solution.

2019 Expansion to Collin County

After five successful years in Plano, the peanut butter drive expanded in 2019 to include all of Collin County. Last year, with the support from the community, we raised \$235,064 and collected 114,848 pounds of peanut butter, a total of **349,912 lbs/\$**. We are thrilled to share that because of the great work of last year's committee and participants, peanut butter is now included in weekend backpacks distributed to as many as 11,000 chronically hungry students who might otherwise go hungry.

2022 Expansion to NTFB 13-County Service Area

With growing excitement within the community each year, we are welcoming participants from all 13 counties in NTFB's service area. Moreover, we are including NTFB's Partner Agency network to help reach our goal of **500,000lbs/\$***. You can find more information on this on page 7.

Why Peanut Butter?

Peanut butter, along with other nut butters**, is kid-friendly, nutritious and high in protein. It's also a food that is often considered expensive, therefore not being a popular donated item.

** Our goal is 500,000, either pounds or dollars for NTFB to purchase peanut butter.*

***NTFB collects other nut butters for children with peanut allergies.*

Virtual or physical Peanut Butter Drive?

Similar to recent years, you have the option to collect physical peanut butter or collect “virtual” peanut butter.

1. Physical peanut butter can be collected and delivered to NTFB or an official Drop-Off Partner Agency – More information and addresses on page 7.
2. Virtual Peanut Butter can be purchased at ntfb.org/VirtualPBDrive.

How to participate, the three options:

1. Simply donate directly to the Virtual Peanut Butter Drive (URL above) where every dollar is used to purchase peanut butter and distribute through NTFB’s Feeding Programs.
2. Set up your own “fundraiser page” or “team page” on the Virtual Peanut Butter Drive and encourage friends, family, and colleagues to donate funds to purchase peanut butter.
3. Host a physical peanut butter drive using resources in the toolbox below, also available at ntfb.org/peanutbutterdrive. The peanut butter you collect must be delivered to either NTFB or one of the official Drop-Off Partner Agencies, addresses on page 7.

Where to Drop Off Physical Peanut Butter Jars

Multiple Drop Off Sites

As in previous years, peanut butter delivered directly to NTFB will be distributed to our neighbors facing hunger through our direct feeding programs, like Food 4 Kids. We will also distribute peanut butter to NTFB's Feeding Network of Partner Agencies.

This year, with a larger footprint, you can deliver the peanut butter you collect directly to the NTFB Partner Agencies below who can then stock their shelves for their communities.

When delivering your peanut butter, remember to tell the agency that your donation is for the North Texas Food Bank Peanut Butter Drive.

Frequently Asked Questions

What support can NTFB provide for my virtual Peanut Butter Drive?

NTFB can provide flyers, social media graphics, and best practices to make your drive a success. All of these are in the toolbox below.

What if I live far from the food bank, can I still host a Peanut Butter Drive for NTFB?

Yes! NTFB serves 13 counties (Dallas, Denton, Collin, Grayson, Fannin, Lamar, Delta, Hopkins, Hunt, Rockwall, Kaufman, Ellis, and Navarro). If you live in one of these counties, we are able to provide support for your peanut butter drive. If you do not live in one of these counties, you may want to visit FeedingAmerica.org to learn which food bank serves your community.

When is the Peanut Butter Drive?

The peanut butter drive takes place throughout the month of September, also known as Hunger Action Month. If you collect physical peanut butter, you can deliver to the food bank Official Drop-Off Agency until October 21, 2022.

Do I need to communicate with NTFB prior to hosting a virtual Peanut Butter Drive?

No, simply host a virtual drive at ntfb.org/VirtualPBDrive or deliver peanut butter to the food bank. We'll take care of the rest.

Where can we pick up Peanut Butter Drive boxes?

Boxes are available for pick up at our Plano campus (Perot Family Campus: 3677 Mapleshade Ln, Plano, TX 75075).

Can I request that NTFB deliver Peanut Butter Drive boxes to me?

Unfortunately, we are unable to utilize our transportation resources for drop-off or pick-ups of canned food drive boxes.

If we are donating money this year, how do we know it goes to peanut butter?

Great question! NTFB prides itself on its transparency and integrity. All donations coming from the Virtual Peanut Butter drive will be officially restricted to peanut butter purchases to benefit our programs.

Frequently Asked Questions (cont.)

If I decide to donate physical peanut butter, what should I donate?

8-10oz. and 16oz. jars of any brand of peanut butter are the most useful because these can fit into family meal boxes and Food 4 Kids bags. Other nut butters, such as almond butter, hazelnut butter, sunflower seed butter, and soy nut butter are also accepted. **Please refrain from donating glass containers** as they may break during transport.

Can NTFB pick up my peanut butter donations? Where can I deliver my donation?

Unfortunately, NTFB is unable to commit to any pick-ups. Our distribution team is fully committed to delivering nutritious food to our program sites and Partner Agencies at this time. If you choose to deliver physical peanut butter, please deliver it to our Plano campus or one of the listed drop off sites.

Why Peanut Butter?

Peanut butter is kid-friendly, nutritious and high in protein. It's also a food item that is considered expensive, therefore not being a popular donated item to NTFB.

What on earth did you do with all the peanut butter from last year?

Last year we raised over 347,000 lbs./\$ of peanut butter during September and distributed it to kids in our Food 4 Kids program, families in our Mobile Pantry program, and hungry North Texans through all of our Partner Agencies.

The total amount of peanut butter NTFB distributed last year was **1.4 million pounds**.

Every September during Hunger Action Month, the North Texas Food Bank creates awareness about food insecurity and hosts the Peanut Butter Drive which collects a shelf-stable, kid-friendly protein for our hungry neighbors. The goal for the 2022 drive is 500,000 pounds of peanut butter physically and virtually.

Let's help meet the goal by collecting regular-sized, plastic jars of peanut butter to help feed children and their families who are facing hunger.
