## JOIN US IN MAKING TEXAS HEALTHIER

After a successful event in 2021, **The University of North Texas Health Science Center (HSC)** and **Remote Area Medical (RAM®)** - a nonprofit that provides free, pop-up medical clinic services to those who are underserved and uninsured - are excited to partner again this year to provide **free dental, vision and medical services** to the Dallas/Fort Worth Area!

All RAM services are free, and no ID is required.

**HSC** is proud to partner with RAM to provide these crucial medical services to our community.
