

NTFB 13-County Service Area

The North Texas Food Bank could not do what we do in the fight against hunger without the support of the community. We worked in partnership with more than 400 food pantries and community organizations to provide access to 137 million nutritious meals last year across a diverse 13-county service area that spans 10,000 square miles. Click a county on the below map to view the list of our feeding partners in that area.
