

# See below for Instructions

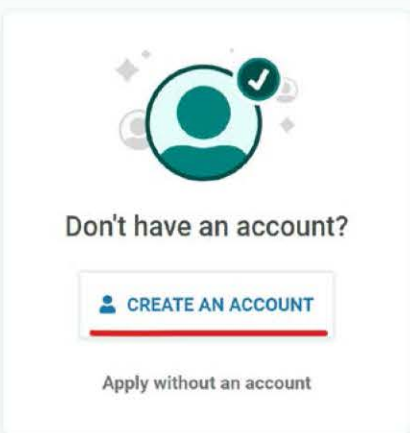

## How do I create an account?

To create an account:

1. Click on 'Apply for Benefits'
2. Click on 'Apply Now'

3. Click on 'Create a new account'

4. Follow the instructions on the page to complete the process of creating your account  
**\*Red stars are required to create your account.**

If you already have a case, you can also create an account using the Your Texas Benefits mobile app. You can download it from the Google Play or iTunes stores.

You cannot apply for benefits on the YourTexasBenefits mobile app.
