

Food from the Bar

A legal Community Campaign to fight hunger in North Texas

THE NEED IN NORTH TEXAS

- **744,000+** North Texans Face Hunger
- **1 in 5** children don't know where their next meal will come from

During the school year, many children rely on free and reduced price meals. When summer arrives, families must stretch their budgets to replace **up to 10 meals per child each week.**

Your participation helps ensure children have consistent access to nutritious food all summer long.
